

## MEMORANDUM

Date: December 12, 2020

To: TLRC Residents, Family Members and Employees

From: R Kevin McFeely, President & CEO

Re: Today's COVID-19 Case Update

As we continue to receive COVID test results, I am pleased to report to you all the resident test results we have received have been negative. However, we have received three (3) positive test results for TLRC Health Center employees. These employees are not working and will follow established protocols before being allowed to return to work.

Again, a word of thanks for your continued support and adherence to our protocols. We are doing everything we can to limit the spread of this virus and our staff members are working hard to keep our residents safe and healthy.

Thank you for your work to keep this virus at bay.
