Re: Today's COVID-19 Case Update

Today we received notice that one (1) Health Center employee has tested positive for COVID. I am pleased to report to you we received all of our Health Center resident test results and they have all come back negative for COVID.

I hope your year has gotten off to a good start. Tomorrow we begin the first of our three (3) COVID vaccine clinics and we are excited to offer these clinics to our residents and staff members.

As always, please do not hesitate to reach out if you need any additional information or have any questions.

Thank you.
