Re: Today's COVID-19 Case Update

Today we received notice that eight (8) Health Center residents have tested positive for COVID. In addition, we received notice that fifteen (15) employees have also tested positive. Of these 15, 14 are Health Center employees and 1 is an Assisted Living employee. As a result, we will once again begin weekly testing in our Assisted Living and North Ridge buildings until we go two weeks with no new cases.

As always, please do not hesitate to reach out if you need any additional information or have any questions.

Thank you.
