

MEMORANDUM

Date: August 14, 2021

To: **eliseo** Residents, Family Members and Employees

From: R Kevin McFeely, President & CEO

Re: COVID Update

We have received word that 1 Health Center resident tested positive for COVID. As per our protocol, this resident has been isolated until 10 days have passed and no new symptoms have presented themselves. We have received test results from the remaining Health Center and Assisted Living residents and am pleased to tell you there are no additional positive cases.

The no admissions and visitation protocol will remain in effect until August 19th as previously mandated unless we are advised differently by our local health jurisdiction.

We will continue with weekly testing of Health Center and Assisted Living residents and employees and keep you updated about any additional positive cases of COVID.

As always, please do not hesitate to reach out if you need any additional information or have any questions.

Thank you.
