Re: COVID Update

We learned today that an additional Health Center resident has tested positive for COVID.

As per our protocol, this resident has been quarantined. Visitations and admissions will continue along with group programming and communal dining. We also ask that all visitors wear masks but if you are experiencing cold-like symptoms, we encourage you to postpone your visit. Visitors will also be required to screen at the kiosks upon entering the building.

If you need any additional information or have any questions, please do not hesitate to contact any of our Department Directors.

Thank you.
