Re: COVID Update

We learned today that two (2) Health Center residents have tested positive for COVID. This now brings our total to four (4) cases.

With the additional cases, we must now close the 700 Hall (the 600 Hall has already been closed) and keep them closed until the testing of all residents that is done weekly results in two consecutive weeks of negative cases.

Visitations and admissions will continue along with group programming and communal dining. We also ask that all visitors wear masks but if you are experiencing cold-like symptoms, we encourage you to postpone your visit. Visitors will also be required to screen at the kiosks upon entering the building.

If have any questions, please do not hesitate to contact any of our Department Directors.

Thank you.
