

## MEMORANDUM

Date: April 20, 2023  
To: **eliseo** Residents, Family Members and Employees  
From: R Kevin McFeely, President & CEO  
Re: COVID Update

It is with sadness I inform you that our not so nice friend COVID has come back to **eliseo**. We learned yesterday one of our residents in Assisted Living tested positive for COVID.

Visitations and admissions will continue along with group programming and communal dining in Assisted Living. As per the most recent guidelines, staff members will continue to utilize appropriate PPE, which includes wearing masks. We also ask that all visitors wear masks but if you are experiencing cold-like symptoms, we encourage you to postpone your visit.

If have any questions, please do not hesitate to contact any of our Department Directors.

Thank you.
